Trunk or Treat at Mom's Store – A good time had by all!

The sanctioned Parade and Gathering at Mom's Store was unfortunately cancelled on December 5th due to SCE stating that the power would be shut – off in Devore for 70 hours which would have directly impacted the festivities.

Next the re-scheduled date of the “sanctioned” Parade and Gathering was cancelled because of the new “lock-down” orders from the Govenor. **BUT several Devore Elves** in the Devore community continued the festivities on their own for a most enjoyable evening (pictures below) Thank you Elves!

Illegal Dumping by Truck Drivers. Be Aware: Truck drivers would come when property owners were not home & dump, or on vacant lots. Property owners need to be aware of Truck Drivers taking advantage of dumping their loads off. Non-Emergency Sheriff Reports will be needed to build a case against continuously illegal dumping of material.

***Per Attorney's advice, Property owners need to post "No Dumping" signs, & take pictures of this sign on their property (make sure picture clearly shows property owners land/address), if property owners should ever need to bring a lawsuit against these Truck Drivers illegal dumping on their land without permission, they will have this as evidence.
